

Peace of Mind Care Monitoring Program

Home Visits Conducted One Time Per Month

Each home visit includes up to 45 minutes on site and up to ½ hour of travel time. It also includes a specific update to the responsible party by telephone or email for up to 15 minutes of time, and required documentation for up to 15 minutes of time.

Weekly Monitoring

Client monitoring calls consist of up to 20 minutes to check in with clients, caregivers and family members. It also includes a specific update/report to the responsible party by telephone or email for up to 10 minutes of time. This monitoring may occur from 1-4 times a month in addition to a home visit.

Fees

Clients on the Peace of Mind Monitoring Program also receive all services at a discounted fee.
